

St Aidan's Catholic Primary School

Mini Newsletter

February 2017

What is happening this half term?

There is a lot happening this half term in school so I thought I would send a mini newsletter to remind you about some of the events taking place

Thursday 2nd March—World Book Day—children can dress up as a character from a book. *If children do not want to dress up then they should come to school in their school uniform*

Wednesday 8th March—NSPCC Workshops—the NSPCC will be working with the children in school to remind them how to keep safe

Thursday 9th March—start of 10 million minutes Reading Challenge

Monday 13th March—Book People Book Fair. This year we are using the Book People Company. They sell books at ridiculously low prices. Great for Easter gifts

Friday 17th March—Number Fun Day— a day of Maths fun to raise money for the NSPCC

Attendance Bounce – All term the children will collect time to spend on the Bouncy Castle /Obstacle Course at the end of term. Every day they are in school they will earn 1/2 minute and if they are on time they will earn another 1/2 minute. **Children in for 30 days and on time will bounce for the full 30 minutes during the last week of term**

Other events include trip to Colomendy for Year 6, trips to the Safari Park, St George's Hall and the Museum

REMINDER:-

Dogs— Could I please remind you once again that we cannot have dogs on the yard. Dogs and children can be very unpredictable and even the most gentle dogs can get upset, therefore please leave them at home when you are collecting your child from school.

Open Evening

Thank you to all the parents who attended Open Evening. The children were so proud to show you their work and it was extremely useful for staff to have focussed conversations about work and behaviour with so many of you. If you didn't make it then please contact your child's teacher to make an appointment. It is so important that you understand how your child is achieving in school

Bouncy Castle

Does anyone have a contact for the hire of a Bouncy Castle and Obstacle Course. Let the School Office know if you do.

SAFETY

Please remember to drive and park with care outside school. The Police have said they will patrol over the next few weeks to help us to keep the children safe so please think before you stop or cross the road.
