

It's been a while.... but your teachers, teaching assistants, school staff and friends can't wait to see you again!

REMEMBER for September!

Wash your hands regularly

Make sure you carry tissues to catch any coughs and sneezes

Hand gel will be provided at school but bring it with you if you wish

Please check with your school what equipment/clothing you should or shouldn't bring in as it may be different to before

Have you checked where to drop off / pick up?

Have you checked what time drop off / pick up is?

Check if breakfast club, after school club or other activities are running

If a pupil is unwell, stay at home and contact school

If a pupil has Covid-19 symptoms, stay at home, contact school and ring **119** or visit www.nhs.uk/coronavirus to get a test

If any member of your household has Covid-19 symptoms, please remember that ALL household members must stay at home. The person with symptoms should ring **119** or visit www.nhs.uk/coronavirus to get a test. If your child needs to be absent from school as a result, please contact school to notify them

Please refer to www.nhs.uk/coronavirus for further advice

Check your school's website and social media accounts for regular updates

If you are worried about anything, just ask!

Knowsley Council

Help control the virus

There are simple steps you need to embed into your daily lives to stop the spread of the virus. These are:

- Continue to stay at home as much as possible and limit your contact with others.
- If you do need to go out, maintain social distancing at all times. If you don't and someone that you have been in close contact with tests positive, you will have to self-isolate for 14 days.
- Wear a face mask where advised. This includes in indoor spaces such as shops, post offices, libraries, shopping centres, take-aways, on public transport and in hospital / GP settings.
- Continue to regularly wash your hands with soap and water and use a hand gel sanitiser if possible.
- Remember to catch it, bin it, kill it with coughs and sneezes – dispose of tissues in a bin with a lid.
- If you can work from home, do so.
- If you're self isolating and need help and support (for example with shopping) please call the Knowsley Volunteer Support Line on **0800 073 0043**.

Coronavirus symptoms

High temperature?

New or persistent cough?

Loss of smell or taste?

Stay at home and book a test immediately through www.nhs.uk/coronavirus or by calling 119.
