

# STAY COVID SAFE THIS HALLOWEEN AND BONFIRE NIGHT

This Halloween, 'Stop. Think. Do the right thing' and make sure you follow the restrictions in place to stop the spread of COVID-19.

This year, activities such as trick or treating or hosting Halloween parties for family and friends must not take place - this is to ensure people limit their interactions with others and stop any further spread of coronavirus.

## DON'T ✘

Go house to house trick or treating within your community or travel to another area to do this.

Go out if anyone in your household has any Covid symptoms (high temperature, new or persistent cough, loss of taste or smell) or if you have to self-isolate.

Travel to an organised event. Any travel should be essential for education or work only.

Hand out sweets to children who come to your house.

Accept sweets from anyone not within your household.

Invite visitors to your house or garden or mix with anyone who is not part of your own household or support bubble.

## DO ✔

Stay at home

Celebrate safely in your own house or garden with your household or support bubble only.

Share treats within your own household.

Search for treats hidden around your own house and garden (like an Easter egg hunt).

Dress up and show your outfits off to your household.

Think up fun activities you can do indoors or in your garden like bob apple or Halloween themed colouring activities. More ideas can be found at [www.knowsleynews.co.uk](http://www.knowsleynews.co.uk)
