

Year 5 Remote Learning Week 2 11.01.21

Timings are a suggestion to mirror school timetable and can be adapted by parents and carers to suit pupil needs whilst at home. Lessons highlighted will be live lessons and at specific times given through Microsoft Teams. Pupils will be sent an email invitation to these each morning to join the meeting.

All lessons and learning activities are on Purple Mash unless specified. Maths activities will be adapted from White Rose with links under each lesson below.

All resources and follow up tasks for live lessons can be found that same day on Purple Mash.
