8th March 2021

Dear Parent/Carer

WELCOME BACK

A very warm welcome back to all our children and families.

I'm sure there have been many challenges and changes to family life during the last lockdown, but I just wanted to reassure you that we will do our very best to settle children back in to school life as quickly as possible.

Contact Information for your child

I would like to ask if you could inform the School Office of any changes to any of the following: -

- Change of address
- Change of e-mail (needed for Free School Meal Voucher orders)
- Change of telephone number(s)
- Change of contact details for your child, family members etc
- Change of any medical details
- Difficulty in accessing our communication system Parentapp (this is our **ONLY** method of communication for messages, letters etc, please ensure that you have access to this app)

Free School Meals

If your financial situation has changed and you think you may now be eligible for Free School Meals, the quickest way is to apply through the Parent Portal on the Free School Meals section of the Knowsley Website. You will need an e-mail address for this. Alternatively, we have **Free School Meal forms in the main reception area of the school entrance. Even if your child is entitled in Reception, Year 1, and Year 2 to a Universal Infant Free School Meal, please complete a form as the school secures additional funding for the children for every child entitled to a Free School Meal.**

If there are any other areas of support that you need help with, please do not hesitate to speak to Mr Williams, Learning Mentor who will be happy to assist you or signpost you to relevant help and resources.

Thank you as always for your ongoing support.

Kind regards
M Boland (Mr)
Headteacher
