

# NEED HELP GETTING TO A COVID VACCINATION SITE? WE CAN HELP...

## GETTING VACCINATED

It's now easier and more convenient to get your COVID-19 vaccination in Knowsley. You can find out where your nearest drop-in COVID-19 vaccination site is by visiting [www.knowsleynews.co.uk](http://www.knowsleynews.co.uk). No appointment is needed at a drop-in site, and your closest site may be in a neighbouring borough.

Alternatively, you can still book your vaccination by calling **119** or visiting [www.nhs.uk/covid-vaccination](http://www.nhs.uk/covid-vaccination)

Knowsley residents who may find it difficult to travel to their COVID-19 vaccination appointment now can get support through the local travel offer.

## TAXI SERVICE

Knowsley Council has worked in partnership with Healthwatch Knowsley to provide a taxi service for residents who do not have access to transport to get to a drop-in vaccination site or to a pre-booked appointment.

If you are a Knowsley resident, and you don't have access to transport, you can call **0151 449 3954** (lines are open Monday to Friday 9am to 5pm and 10am to 5pm at weekends) and they will talk you through your options to get to your appointment or a drop in clinic close by to you.

This service is available for journeys to and from the closest vaccination site to you.

## BUS VOUCHERS

These vouchers are limited and offered on a first come first serve basis.
