2nd September 2021

Dear Parent/Carer

YEAR 1 CLASS

A very warm welcome back to school.

We hope that you have had a good break and have enjoyed some family time together ready for the start of a busy new year at school.

I am writing to let you know that Mrs Magill has let us know the exciting news of her pregnancy which is wonderful news for her and her family as well as the wider family of St Aidan's. As ever, we are looking to make sure that both children and staff at school are as safe as they can be, and Mrs Magill is at a stage in her pregnancy where the advice is not to be in school to reduce any risks from COVID as far as possible.

I know that Mrs Magill was really looking forward to her new class but understands the need for caution. We have organised a new teacher to be in place with support from Mrs Magill with planning/e-mails/telephone conversations as well as the more familiar team of Mrs Degan and Mrs Lannigan in Y1. I would say that these arrangements will remain in place for the foreseeable future.

I am sure you will want to wish Mrs Magill the very best and that we will make sure that any staff who are in the Y1 class will meet our high standards and will have the best of support from the teachers in school to carry on the good work.

Mrs Magill is working from home until maternity leave starts and is willing to take any phone calls or emails about any concerns, any advice etc however small. Please let us know at school and we will pass any requests on.

If you have any further questions, please do not hesitate to contact me at school.

Yours faithfully

M Boland (Mr)
Headteacher
