Teaching in the Summer Term 2021

We have missed the Spring term this year due to COVID restrictions and therefore need to establish an agreed 'critical content' for the Summer term which is agreed and can be built on by the following teacher.

In Music we have a scheme which identifies the final half term for 'Reflect, Rewind and Replay' I am advising that we teach Spring 2 and Summer 1 in full for each year group following the scheme and drop the final 'revision' unit.

It is important in sequencing lessons that we remember the common structure for all Units of Work and it is important that children are taught each of these aspects in every unit.

Each Unit of Work comprises the of strands of musical learning which correspond with the national curriculum for music:

1. Listening and Appraising
2. Musical Activities
  - Warm-up Games
  - Optional Flexible Games
  - Singing
  - Playing instruments
  - Improvisation
  - Composition
3. Performing

There are 6 lessons for each unit and I ask that you dip into each of the 6 during the half term keeping the structure above in mind.

The teacher next year can then be certain about what the teacher has taught and what the children have learned.

I enclose the Long Term plan for convenience.
