

PE

Teaching in the Summer Term 2021

We have missed the Spring term this year due to COVID restrictions and therefore need to establish an agreed 'critical content' for the Summer term which is agreed and can be built on for the following year.

It is expected that the planned topics for the Summer term will still be taught (timetable attached for convenience).

The following key objectives that are taught in Spring have been identified by the PE coordinator as crucial for the development of PE understanding and knowledge. Therefore, they must be secure before the end of the Summer term.

Reception - Dance:

- To move safely when travelling around
- To create different ways of travelling
- To work well in pairs

Year 1 – Dance:

- Create shapes, actions and movements
- Travel safely in space
- Remember and perform a simple sequence of movements

Year 2 – Dance:

- Communicate effectively with a partner
- Travel at different levels and link movements
- Remember a simple sequence

Year 3 – Dance:

- Demonstrate agility, balance and coordination when performing a simple sequence
- Perform and review a simple sequence

Year 4 – Dance:

- Creatively change static actions into travelling movements
- Communicate effectively within a group
- Evaluate the work of other’s using accurate technical language

Year 5 – Dance:

- Develop a motif demonstrating some agility, balance, coordination and precision
- Communicate effectively within a group
- Use canon, formation changes, direction and levels to improve our ideas when working in a group

Year 6 – Dance:

- Listen to other people’s ideas and vocalise my own thoughts
- Know how to translate images into actions to communicate meaning
- Evaluate the work of other’s using simple technical language and recognise good timing, execution and performance skills
