

ST AIDAN'S

CATHOLIC PRIMARY SCHOOL

Spiritual and Moral Development Policy

MISSION STATEMENT

**“Learning and growing together; inspired by the love of
Jesus.”**

Our aims:

- To develop an understanding of insights, principles, beliefs, attitudes and values which guide and motivate us.
- As a Catholic School we seek to promote the Christian values of friendship, compassion and forgiveness
- To offer a wealth of experiences which enables a pupil to develop their understanding
- To develop opportunities for pupils to show that their insights, principles, beliefs, attitudes and values influence, inspire and guide them in life
- To develop an understanding of moral behaviour in line with our Mission Statement which enables pupils to live out the Gospel value of love in many ways such as forgiveness, freedom, tolerance, respect and relationships.

We aim to enhance the children's spiritual development through:

- The delivery of 'Come and See' and celebration of feasts and seasons within the Christian calendar and that of other faiths and cultures
- Living out our Mission Statement
- Assemblies, reinforcing positive behaviour – we will help the pupils to develop a respect for themselves and others
- 'Ready' 'Respectful' and 'Safe' are our three core values which we encourage, model and celebrate on a daily basis. ☒ Engendering a sense of empathy with others through Circle Time, through links with other schools in the developing world and through fund raising
- Creating an environment of trust, care and compassion
- Enriching the children's understanding by providing opportunities for reflection on all aspects of school life
- Enhancing the pupils' appreciation for beauty, truth, love, goodness and wonder in our delivery of the curriculum as a whole in our Catholic school where, as a staff, we seek to support one another in this goal
- Seeking to help the pupils to understand how the impact of their feelings and emotions affects their behaviour and impacts on the feelings and emotions of others

- The School Values, Behaviour Policy and Anti Bullying Policy provide a clear moral code that is promoted consistently throughout the school
- Celebrating the uniqueness of each individual and tailoring the learning and teaching environment to enable all to achieve their full potential, whilst understanding the importance of equality of opportunity for all
- Praise and reward for good behaviour and acts of kindness
- Assemblies and acts of worship which provide models of moral virtue through gospel readings, the message of which is explored with the children, stories about significant role models to inspire the children and stories with a strong moral theme
- Reinforcing the school's values through images, posters, exhibitions and classroom displays
