

Understanding the World: (The Natural World) : As scientists we will notice the changes in our world.

- We will explore our new outdoor learning space.
- We will look for the signs of Autumn and collect leaves, pine cones and twigs.

Understanding the World: (People, Culture & Communities) : As geographers we will:

- Talk about what makes us similar and what makes us different.
- Notice our hair colour, our eye colour etc.
- Look at the difference between babies and children.

Understanding the World: (Past & Present) : As historians we will:

- Talk about the people in our families.
- Explore what we were like when we were babies.

Mathematics: As mathematicians we will:

- Learn our colours.
- Match colours and objects.
- Sort objects.

Expressive Arts & Design (Creating with Materials)

As artists, we will develop skills in:

- Exploring colours.
- Mixing colours.

As designers, we will design and make:

- Our own small world models.
- Use blocks and create train

Expressive Arts & Design (Being imaginative & expressive) :

As musicians we will:

- Learn Nursery Rhymes.
- Take part in pretend play and imitate home experiences.

As learners of religion, we will:

- Walk outside and look at the wonderful world God has created.
- Look at being me in my world. Creating self-portraits to look at our self identity.
- Talk about Baptism and look at our own Baptism photographs.

Year Nursery Autumn Term 1

2023-2024 Learning Overview for Parents Topic:

Happy to be me!

Physical Development: As athletes we will:
