

Understanding the World: (The Natural World) : As scientists we will:

- Explore and talk about the changes all around us, during the season of autumn

Understanding the World: (People, Culture & Communities) : As geographers we will:

- Talk about where we live, our house numbers, our road names, what is close by to our houses
- Look at simple maps of our school and surrounding area

Understanding the World: (Past & Present) : As historians we will:

- Talk about our families
- Share photographs of our families
- Read stories about lots of different families

As learners of religion, we will:

- Learn that God created our world
- Learn that God made each one of us, and loves each one of us as a unique person
- Learn about how we enter God's family through Baptism

Expressive Arts & Design (Creating with Materials)

As artists, we will develop skills in:

- Drawing self portraits, looking at our facial features
- Developing our colour mixing skills
- Understanding how to stick and join materials together

Expressive Arts & Design (Being imaginative & expressive) :

As musicians we will:

- Listen and respond to different styles of music
- Learn to sing along to nursery rhymes and action songs
- Use classroom instruments

Personal, Social & Emotional:

- Getting to know Reception's daily routines and rules
- Building relationships with our teachers
- Developing friendships and making new friends

Physical Development: As athletes we will:

- Negotiate space successfully
- Show increasing control over an object
- Control emotions when playing games
- Take turns and encourage our team mates during games

Mathematics: As mathematicians we will:

- Match, sort and compare objects and pictures by exploring sorting techniques and creating sorting rules
- Compare size, mass and capacity
- Copy, continue and create simple patterns

Reception Autumn Term 1 2023-2024

Learning Overview for Parents
