Monday 2nd October 2023

Dear Reception Parents/Carers,

On Tuesday 17<sup>th</sup> October, we will be holding a Phonics Workshop in school. The workshop will be very interactive and informative about how your child learns to read. This workshop will give you information on the progression of phonics taught and how you can support your child in their reading journey.

During the workshop, you will take part in a phonics lesson, play phonic games and have access to our phonic reading books. This session will commence at 09.15am and finish at 09.45am. I am sure you will enjoy the workshop and hope many of you will be able to attend.

Please sign the slip below if you are intending to come along to the Phonics Workshop so that we have an idea of numbers.

Yours Faithfully

Mrs Julie Holmes  
(Phonics and Reading Lead)

.....

I will be attending the Phonics Workshop on Tuesday 17<sup>th</sup> October at 09.15am-09.45am

Name of child.....
