

Understanding the World: (The Natural World) : As scientists we will:

- Explore and talk about the changes all around us, during the seasons of autumn and winter
- Learn about what animals live in woodlands
- Discover what animals hibernate and why

Understanding the World: (Past & Present) : As historians we will:

- Talk about celebrations that we may take part in with our families, such as Bonfire Night and Christmas
- Learn about Remembrance Day and why it is important

As learners of religion, we will:

- Learn about why we celebrate Christmas, through the story of Jesus' birth
- Discuss what Advent is and how we prepare for Christmas
- Sing songs that retell the story of Jesus' birth

Expressive Arts & Design (Being imaginative & expressive) : As musicians we will:

- Learn to perform Christmas songs by learning words and actions

Expressive Arts & Design (Creating with Materials)

As designers, we will design and make:

- Christmas cards
- Christmas decorations
- Baking Christmas treats

Personal, Social & Emotional:

- Continue to develop our friendships and relationships with our teachers
- Become more independent with managing our self-care needs e.g. putting on our coats, fastening zips and buttons
- Begin to express feelings and consider the feelings of others

Reception Autumn Term 2 2023-2024

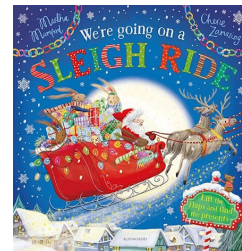

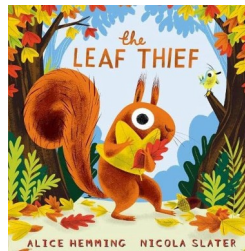

Learning Overview for Parents

Topic:
