

As readers, we will read a variety of books based on fairy stories. Children will develop in their comprehension, inference and prediction skills.

As learners of religion, our themes for study are:

- Sikhism
- waiting

We will reflect on the following big question:

- Is waiting always difficult?

As writers, we will write to narrate and to instruct. We will use 'Rapunzel' as our vehicle text.

As athletes, we will develop our net and wall game skills including:

- Striking a ball
- Throwing for accuracy and power
- Communicating well with others

We also cover **gymnastics** this term with a focus on **balancing and spinning on points and patches.**

Our PE day this term is Tuesday.

Year 1 Autumn Term 2

2023-2024

In P.S.H.E, we will focus on:

- What rules are, how to care for others needs and how to look after the environment.
- We will look at what keeps us healthy.

As computer scientists, we will be using modern tales to learn about online safety:

- Children will learn about who we can trust online and what to do when they are made uncomfortable by something they've seen.

As musicians, we will dance, sing and play:

- Children will be exposed to different styles of music. They will sing, play instruments, improvise and perform.

As geographers, we will learn about: seasonal and daily weather patterns:

- Children will be able to identify the four seasons.
- Children will look at how each season changes our environment and human activity.
- Children will record the weather to identify weather patterns.

As artists we will be focusing on drawing and painting:

- Children will draw fairy tale characters which will be inserted onto a printed background.

As scientists, we will learn about: the human body and senses:

- Children will identify parts of the human body and compare differences.
- Children will identify which part of the body is associated with each sense.
- Using our five senses we will conduct experiments.
