

### In English we will be:

- Make use of fronted adverbials, prepositions and modifying adjectives to form descriptive noun phrases.
- Focus on the grammatical difference between plural and possessive –s.
- Explore and make use of paragraphs to organise ideas around themes portrayed in our key text: Leaf by Sandra Diekmann.

### As scientist we will:

- Explore our topic: Living things and habitats
- Recognise categories and groups of living things, identify invertebrates and discuss positive and negative changes to the environment and how this may impact species and their habitats.

### As artist and designers, we will develop skills in:

- Evaluate light up cards and consider the design process, materials and the construction technique.
- Plan and produce our own light up Christmas cards.
- Refer back to our knowledge of electricity and recap safe measures when handling electrical equipment.

### Year 4 Autumn Term 2

2023-2024

### As learners of religion, we will:

- Explore our topics Called and Gift.
- Reflect over the time of Advent, discussing loving relationships and the perfect gift and revelation of God's love, Jesus, born of Mary, born as one of us.

### As athletes we will:

- Learn to swim over the course of 2 weeks.
- Use Invision games skills to be aware of

**Our PE day is Tuesday mornings.**

**Swimming takes place every morning from 06-17/11/2023.**

### As musicians we will:

- Learn how to play a musical instrument every Monday (45-minute Trumpet Lesson).
- Explore our term song: the Mamma Mia.
- Review, learn and value the use of sign language.

### As historians we will:

- Explore why and how the Vikings invaded Britain in 793 AD and invaded Lindisfarne monastery.
- Expand upon our knowledge of primary and secondary sources and consider why there may be different accounts of history.

### As geographers we will:

- Familiarise ourselves with Spain's location on a world map.
- Learn about the physical and human geography of Spain.
- Understand the importance of tourism in Spain.
- Discover the climate of Spain.
