Tuesday 7th November 2023

Dear Parents/Carers,

On Tuesday 21st November, we will be holding an interactive workshop in school to help you to support your child with their reading. The workshop will be very interactive and informative about how your child learns to read. This workshop will give you information on reading strategies to use to support your child with their reading. We will also look at some lovely books to share with your children to encourage and foster a love of reading.

This session will commence at 09.15am and finish at 09.45am. I am sure both you and your child will enjoy the workshop and hope many of you will be able to attend.

Please sign the slip below if you are intending to come along to the Reading Workshop so that we have an idea of numbers.

Yours Faithfully
