Monday 18<sup>th</sup> March 2024

Dear Parents/Carers,

During Lent this year our Mini Vinnies group have decided to raise funds for Asylum Link Merseyside.

Action Asylum is a Big Lottery project run by Asylum Link Merseyside in conjunction with the Task Force Trust. We partner with other organisations in Liverpool and 5 other Cities around the UK. The programme has two main objectives: improving Asylum Seekers Well Being and improving Integration and Cohesion in our communities.

We are asking that children bring into school any spare silver coins and next Wednesday 27<sup>th</sup> March, each class will make a line with their silver coins. The longest class line of silver coins will win an extra playtime session.

Thank you in advance for your kindness and generosity during the season of Lent. We together as a school community can really make a difference to the lives of others.

Kind Regards,

Mrs Julie Holmes
