Thursday 22nd February 2024

Dear Parents/Carers of children in Year 1,

I am writing to inform you that Miss Joiner is sadly still unwell and is not able to return to school.

Mr Purdy is starting a new job next week closer to his home which is an hour away, so we will be saying goodbye on Friday.

We have employed Miss Rossiter to be the Year 1 Teacher until Miss Joiner is well enough to return.

Miss Rossiter will be in school all day today and tomorrow to get to know the children and class routines. She will also be come out to meet you over the next couple of days too. Miss Rossiter has sent the following message;

Hello, I'm Miss Rossiter. I am looking forward to starting in Year 1 and meeting you all. I gained my degree in Early Childhood and SEN and my PGCE at Liverpool Hope University and I have now been teaching for five years. I was born in Liverpool and grew up in the West Derby area. I am married to my husband who is from Huyton, so I know all about this wonderful area. I am looking forward to working with you and your children and hearing all about them and their interests. I aim for this transition to be nice and easy and for the children to feel happy in their learning environment with me.

We understand a change of teacher can be challenging but we are delighted that Miss Rossiter is able to join us and believe that her kind and nurturing personality will suit the needs of the class. Mrs Magill will continue to support during transition times as Miss Rossiter gets to know you all. Also, both Mrs Magill and Mr Williams will continue their drop-ins and support any pupils that may need additional support.

Yours Sincerely,

Miss Fitzsimmons
