

- Science: Long term plan

	Autumn	Spring	Summer
Nursery	Changes in our world Changes in Autumn	What is melting New Life	Planting and Growing Minibeasts
Reception	Changes in Autumn Light and Dark	Changes in Winter Changes in Spring	Planting and Growing Changes in Summer
Year 1	Everyday materials Living things in their habitats	Animals including humans- other animals	Seasonal changes Plants
Year 2	Everyday materials Living things and their habitats	Living things and their habitat Life cycles and survival	Plants
Year 3	Rocks Forces	Animals including humans Light	Plants
Year 4	Electricity	Living things and their habitat States of matter	Teeth and digestion Sound
Year 5	Forces Earth and Space	Animal life cycles Human and plant life cycles	Properties of material Properties and changes of materials
Year 6	Electricity Light	Evolution Classification	Keeping healthy- Diet and Lifestyle Circulatory System
