Club Charges from September

To help cover the cost of resources, staffing, and external providers, we will be introducing a small charge for after-school clubs. The cost will be £4 per session, and payments will be collected each half term by ParentPay for Arts & Crafts Club. For clubs run by external providers (Active Sports) you will register and pay direct to them, more information on how to register and pay will follow in the week commencing 1st September 2025.

We remain committed to keeping these fees as low as possible to ensure accessibility for all families. If you have any concerns about affordability, please do not hesitate to contact the school in confidence – we are here to support you.

We will be running Football Team clubs later in the term which will be on an invite only basis, more information about this will be sent to those selected for the teams.

We are looking to add to our clubs offer and are contacting other providers, such as Coding Clubs. If you know of any providers that may like to run an after school club at St Aidan's please ask them to contact us.
