

In English, we will be learning to:

- This term in English, we will be studying a book called Father written by Graham Baker-Smith.
- Children will practise their sentence accuracy on a daily basis.
- Children will learn and understand modal verbs.
- Children will write a setting narrative and letter.

As artists, we will develop skills in:

- Sketching features of space art.
- Creating and experimenting with mixing and using paints in different ways.

As computer scientists, we will learn about:

- AR games
- The internet and how it can be used safely.
- What web content is.
- How to create and publish a website.

As Geographers, we will learn about:

- What life is like in the Alps?
- Children will learn what it is like to live in the Alps and locate them on a map.
- Children will learn why people visit the Alps.
- Children will learn how the Alps are different from Huyton.

Year 5 Autumn Term 1

2025– 2026

Learning Overview for Parents

As scientists, we will learn about:

- The topic of forces.
- Children will be able to explain that objects fall to the earth because of gravity.
- Children will investigate air resistance and water resistance.
- Children will investigate different pulley systems.

As Musicians, we will learn about:

- A melody (or a tune) being a group of notes played one after another.
- Harmony meaning notes which are played at the same time, like chords.
- How music brings us together.

As learners of Religion, we will be:

- Gaining a deepening awareness of 'Who I am' and what makes us unique.
- Comparing our own and other people's ideas about questions of talents and qualities.
- Knowing and understanding ourselves as made in the image and likeness of God.
- Knowing and loving God, the Scriptures, Creation, the Trinity, Jesus Christ, Son of God.

In P.S.H.E, we will focus on:

- Managing friendships and peer influence.
- Protecting the environment; compassion towards others.
- Healthy sleep habits; sun safety; medicines, vaccinations, immunisations and allergies.

As athletes, we will take part in:

- Invasion games skills—we will learn to be aware of our environment and others, adopt sideways on positions to receive the ball, overlap and underlap and defend.

Our PE day is Thursday.
